PRAYER

Lord Jesus Christ, you are the meaning of the world and of human life.

You are the goal of all our desires, the satisfaction of all our longings, and the end of all our work.

Help us seek and find you in all that we do. May we be faithful disciples and responsible stewards of all your gifts.

May our gifts of time, talent, and treasure reflect the fact that we are grateful for what you have given to us.

As individuals and parishes who are prayerfully discerning *Our Call to Serve* this year, may we always remember that Jesus came so that we might have life and have it more abundantly.

We know that when we work together our diocese can do what no individual or parish can do on its own, and we ask You to look with favor over us as we seek to respond anew to the great physical and spiritual needs of so many in our midst.

Grant us the spirit of true Christian Stewardship so we may carry out Your Mission.

Watch over and continue to bless the Church of Scranton in the weeks and months ahead.

We ask this in the name of our Lord and Savior Jesus Christ.

Amen.

MISSION STATEMENT OF THE DIOCESE OF SCRANTON

We, the Catholic community of the Diocese of Scranton,
are called through Baptism to imitate
the servant leadership of Jesus Christ.
In union with our Holy Father, the Pope,
we proclaim the Gospel faithfully,
celebrate the sacraments joyfully,
and boldly promote life, justice and peace
in northeastern and north central Pennsylvania.

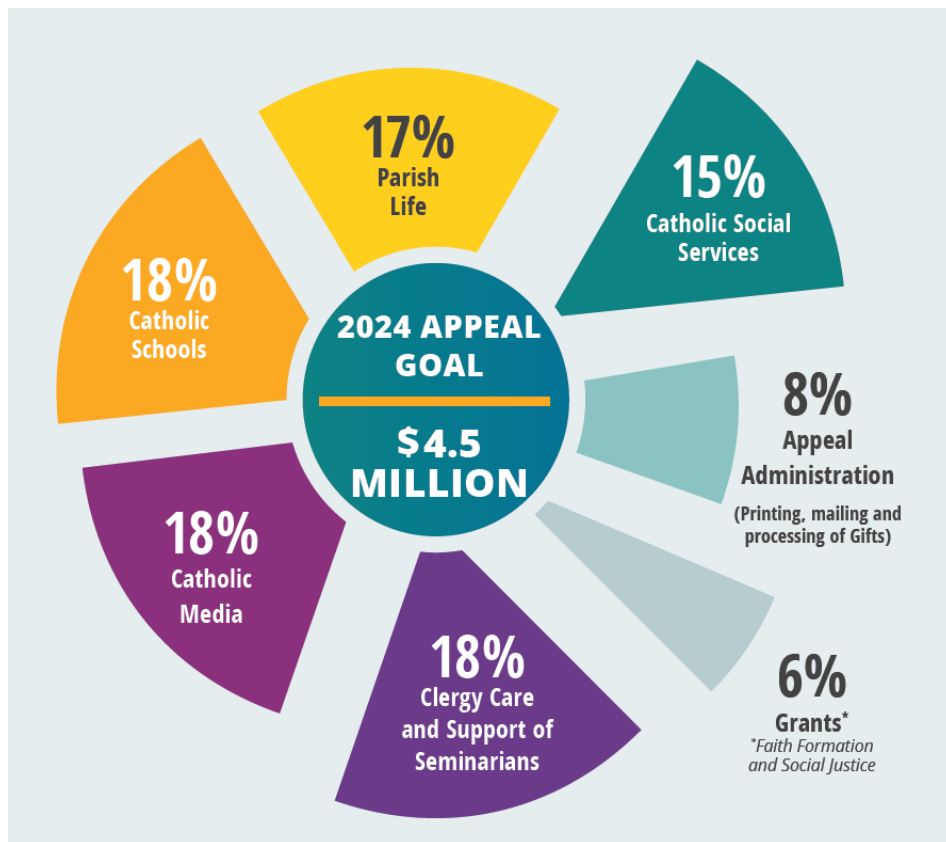

CASE STATEMENT

The Diocesan Annual Appeal continues to be the single most important annual fundraising initiative for the Diocese of Scranton. Poverty, hunger, and homelessness remain serious challenges in our community; these concerns have grown exponentially because of inflation and other economic challenges throughout the eleven counties of our diocese.

We are a people committed to all the good work enabled through our unified effort of committing our time, talent and treasure to those less fortunate than ourselves. Funds raised through the Appeal provide critical financial support for Catholic Social Services, Catholic Education, Catholic Communications, vocations and priestly life, Parish Life, Faith Formation Grants and Social Justice Grants. Through our commitment and unity, we strive to bring the gift of hope to our sisters and brothers most in need.

The Appeal's beneficiaries are grouped into six key areas of focus:

CATHOLIC SOCIAL SERVICES
CATHOLIC EDUCATION
CATHOLIC COMMUNICATIONS
VOCATIONS AND PRIESTLY LIFE
PARISH AND SPIRITUAL LIFE
FAITH FORMATION AND SOCIAL JUSTICE GRANTS

THE IMPORTANCE OF YOUR SUPPORT

Throughout the 2024-2025 fiscal year, we will be phasing in a significant rebranding of the *Diocesan Annual Appeal* to better align mission priorities and to share the resulting impact made possible by the generosity of our brothers and sisters who support and make possible this unified effort to sustain and grow Catholic ministries.

While the “Diocesan Annual Appeal” is familiar to most of our parishioners, many do not realize what the Appeal supports (some still refer to this initiative’s prior name, the *Bishop’s Annual Appeal*). This year, we will be very intentional in clarifying how these funds are used to do what no one parish can do on its own by renaming it the

Catholic Ministries Appeal of the Diocese of Scranton

The Appeal provides the funds necessary to support programs and ministries throughout the entire diocese. It is our job as pastors, priests, Parish Life Coordinators, Appeal Ambassadors, as well as parish and diocesan staff to educate our fellow Catholics about the good work that is accomplished through the Appeal.

As we make this important change, our primary motivation as parish leaders and diocesan staff will be to inform the faithful of the resulting *impact* made possible only through our Catholic Ministries. When we work together in unity, we can do what no one parish or individual can do on their own, and by doing so offer hope to those among us in great need.

Personalizing, publicizing and speaking positively of the Appeal must focus primarily on the *impact* and what we support throughout our diocese; when you talk with fellow parishioners and friends, please share with them the good work of Catholic Ministries throughout our diocese and share with them your support of the Appeal.

As parish leaders, we have a lot of work in front of us. We need to educate ourselves about the Appeal and the ministries it supports, so that we can speak about them with confidence. It is important that we review the Appeal materials, so that we understand all the tasks that need to be done to make the Appeal a success in our parish. We need to make sure that ALL parishioners are provided the opportunity to give to the Appeal.

Finally, please pray for the success of the Appeal. Pray for those we talk with, that they may open their hearts and their minds and listen to God’s call. Pray for a positive spirit in your parish toward the Appeal and pray that we can complete the work that God has sent us forth to accomplish.

LEADERSHIP ROLES

THE PASTOR

Thank you for your constant effort in supporting the Diocesan Annual Appeal / Catholic Ministries Appeal. The pastor's ownership and engaged support of the Appeal is the single most important factor in a parish's success.

What does your role entail?

- Pray for the success of this campaign
- Make your gift to this year's Appeal
- Present the Appeal in a positive and enthusiastic manner
- ***Appoint an Appeal Ambassador****
 - *It is strongly recommended that the Appeal Ambassador be someone other than the Pastor. Ideally, this appointee possesses leadership qualities, is comfortable speaking to others about Catholic Ministries and the resulting impact of donating to this fundraising initiative. Look to existing parish leadership donors and those who are already providing generous support to the Appeal.
- Review your parish weekly progress report (*this year, these reports will be delivered on Saturday mornings).
- Identify two areas where your parish benefits from the Appeal or can in the future (**see Appendix A: DAA 2024 Leading with Impact**) AND share those stories with your parish community; review the Appeal videos to select one that will resonate most with your parishioners.
- Encourage participation: "Our goal is 100% participation!"
- Thank parishioners for their support! (Informally, through conversations and in sending forth at the conclusion of liturgy when you notice they recently donated to the Appeal; Formally, through handwritten correspondence or an email acknowledging their gifts to the Appeal and extending your personal thanks)

APPEAL AMBASSADOR

Thank you for sharing your talent and time! You will assist your pastor and parish community in reaching your parish goal by inviting and educating parishioners on the importance of the Annual Appeal.

What does your role entail?

- Pray for the success of this campaign and make a gift to the Appeal
- Ensure your parish website is up to date (remove old Appeal information and post this year's graphics; remove notices and outdated information as appropriate)
- Present the Appeal in a positive and enthusiastic manner
- Ensure posters are displayed and updated throughout the campaign, and graphics are used in the parish bulletin and on social media
- Serve as coordinators for Celebration Weekend, ensuring that the Appeal video can be shown and that the parish is prepared to distribute and collect in-pew envelopes
- Visit all Parish councils, societies, and other ministries, speak about the importance of participation in the Appeal, and distribute and collect materials/envelopes
- Keep the invitation open and look for personal invitation moments with other leaders, parish families, and parish groups
- Assist the Pastor/Parish Life Coordinator by having regular discussion about Appeal progress and assist in preparing any acknowledgements and thanking donors for their support (*the Diocese of Scranton Development Office will send formal acknowledgment letters and tax receipts, but this personalized approach to thanking donors at your parish is also good practice.).

PARISH STAFF

Thank you for your commitment to our local church! You will assist your pastor by promoting the Annual Appeal to your parish community.

What does your role entail?

- Pray for the success of this campaign and make a gift to the Appeal
- Present the Appeal in a positive and enthusiastic manner
- Review your parish weekly progress report (*this year, these reports will be delivered on Saturday mornings). Assist the pastor in acknowledging those who have given to the Appeal.
- Display posters in visible places
- See that graphics are used in the parish bulletin and on social media each week and that the parish website is kept up to date.
- Assist with Celebration Weekend if necessary

TALKING POINTS FOR IN PEW COLLECTION

We ask that all parishes carry out in-pew presentations from the ambo/pulpit during all Masses on Celebration Weekend. The in-pew presentation is an opportunity to share information about the ministries and services available to the parishes and communities within our Diocese, and the importance of supporting those ministries through the Annual Appeal.

The most effective in-pew presentations are delivered by the pastor and use the Appeal video. If you are challenged to show the Appeal video, please contact the Office of Development for assistance at (570) 207-2250.

Please remember to remind parishioners of the importance of their participation – no matter how great or small the gift. Remain positive and treat the process as a celebration.

The following is a suggested script that can be delivered by the pastor:

Good morning! Today, we celebrate Celebration Weekend for the Catholic Ministries Appeal (formerly the Diocesan Annual Appeal). The Appeal's theme again this year is "Our Call to Serve" and it takes on new life by pointing us towards the future. Last year, we were reminded that *Our Call to Serve* encourages a spirit of creating communities rooted in the Life of Jesus Christ. Each of us are called to become the loving, compassionate Christ who fed the hungry. This year, added to our theme, we are reminded of Jesus' message in the Gospel of John, that he came so that we all "might have life and have it more abundantly.

As Christ gave Himself to us, we are called to serve and be generous towards others. As a parishioner within the Diocese of Scranton, I invite you to join me in serving others through the Diocesan Annual Appeal. I want to take a moment to show you a video that inspires me by revealing some of the significant impacts of this effort and shows how our parish, united with the other parishes throughout our diocese, is *Answering the Call to Serve...*

(Show the Appeal Video.)

There are several ways we can contribute to the Appeal. Many of you have already received information in the mail that included a pledge card. If you have already filled that out and sent it in or have made your gift online, thank you!

If you are here today and have not yet given, there is a pledge card in the pew that you can either fill out and place in the collection basket, or you can scan the QR code on the pledge card to make your gift online. Please consider what you might contribute to these vital Catholic ministries over the next several months. We'll now take a few minutes to complete these cards.

(Please provide time for parishioners to complete the cards – suggestion is 3 to 5 minutes).

Thank you again for joining me in support of Catholic Ministries. Our generous gifts, combined with the gifts of all our brothers and sisters throughout *our* diocese, go a long way in supporting *our* Church. I encourage you to look at the ad shared in today's bulletin that will provide further information about the Appeal and the impact that you make possible because of your generosity.

- Remind parishioners that they will be receiving materials from the Diocese to make their gifts.
- Emphasize that gifts do not have to be made immediately; **pledges** that can be paid over several months have helped reach the goal more quickly.
- Stress that gifts of **any size** are welcome, and that **participation** is important.
- Hang your Appeal Goal posters in prominent locations; Appeal Ambassadors, Pastors and members of councils should build excitement by sharing *impact* stories of Catholic Ministries.

Weekend of September 21/22:

- Show one of this year’s Appeal videos during all Masses this weekend.
- Pastor is asked to focus his homily on how tens of thousands of people throughout our diocese and beyond benefit from the Catholic ministries supported by the Annual Appeal and how parish support is critical to the success of the Appeal.
- Have in pew envelopes distributed.
- Place “Celebration Weekend” ad in bulletin.
- Stress that gifts of **any size** are welcome, and that **participation** is important.

October:

- Place an ad of your choice in your bulletin AND/OR publicize progress toward goal in the bulletin – please try to complete at least one of these action items every week!
- Make an announcement that parishioners will receive a letter from you during the month to make their gift to the Appeal.
- Share as many social media stories pertaining to the Appeal as you can.

November

- Place an ad of your choice in your bulletin AND/OR publicize progress toward goal in the bulletin – please try to complete at least one of these action items every week!
- Encourage parishioners to make their gift before the end of the month to help your parish get to its goal as well as to close out the Appeal before the Advent/Christmas Season.
- Coordinate with Appeal Ambassador to carry out parish plan for achieving its goal.

December

- If your parish has not made it to your goal, please continue, at your discretion, to publicize progress in your bulletin and/or through announcements at Mass.

January/February/March

- If your parish has not made it to your goal, please continue, at your discretion, to publicize progress in your bulletin and/or through announcements at Mass.
- If your parish is close to its goal, we're happy to work with you to help you reach your goal by personalizing bulletin ads, sending letters to outstanding donors in your parish, etc.
- You can also include an envelope in your parish envelope packet for the Appeal during any or all of these months.

The Diocesan Development Office is happy to work with you in whatever way you see fit to help your parish reach goal. We are a resource for you and your parish, and we're all happy to help you in any way that we can.

APPENDIX B: DESCRIPTIONS OF APPEAL VIDEOS

Vocations: “Answering the Call: Investing in Vocations”

In this video, we spotlight the vital role that gifts to the Diocesan Annual Appeal play in nurturing future priests and religious through programs like Quo Vadis and Fiat Days. These initiatives are dedicated to helping young men and women discern their callings and deepen their faith.

In June 2024, nearly fifty high school students from across the Diocese of Scranton participated in these experiences. The video briefly showcases the vibrant community, inspiring talks and prayerful reflections that characterize these programs. The Quo Vadis and Fiat Days experience is also featured in the message of Bishop Bambera’s Appeal letter this year.

The video also highlights how donations directly support the next generation of dedicated clergy by highlighting the June 2024 Ordination of Fr. William Asinari, May 2024 Ordination of Transitional Deacons and June 2024 Rite of Candidacy.

The video concludes with a powerful call to action, urging viewers to contribute to the 2024 Diocesan Annual Appeal, ensuring that Quo Vadis, Fiat Days, and similar programs continue to thrive and inspire future vocations.

Interviews include:

- Michael McIlvried, Quo Vadis Participant (St. Mary of Mount Carmel Parish, Dunmore)
- Marcellina Cavalier, Fiat Days Participant (Our Lady Queen of Peace Parish, Brodheadsville)
- Father Alex Roche, Diocesan Secretary for Clergy Formation
- Father William A. Asinari, Newly Ordained Priest (Saint John the Evangelist Parish, Honesdale)
- Jan Carlo Perez, Seminarian (Saint Matthew Parish, East Stroudsburg)

Catholic Schools: “Answering the Call: Investing in Catholic Education”

This heartfelt video underscores the critical importance that donations to the 2024 Diocesan Annual Appeal play in supporting Catholic education. We shine a spotlight on two schools in Bradford County that are shaping the lives of students through faith-based learning and personal growth.

Catholic Social Services: “Answering the Call: Providing a New Home for Mother Teresa’s Haven

In this heartfelt video, we highlight the critical need for funding to establish a permanent home for Mother Teresa’s Haven, an emergency shelter for those experiencing homelessness in Wilkes-Barre. Donations to the 2024 Diocesan Annual Appeal help to fund critical programs of Catholic Social Services that provide vital assistance to the community.

The video educates the community about the plans for the first permanent location for Mother Teresa’s Haven emergency shelter. For many years, the shelter had rotated between several church locations in the Diamond City. Since COVID, the shelter has been using St. Mary’s Church in Wilkes-Barre as a location – but that was never designed to be a permanent solution.

Having received zoning approval from Wilkes-Barre, plans call for the creation of a dedicated, stable facility housing beds for approximately 20 men on the second floor of the building that currently houses Saint Vincent de Paul Kitchen on East Jackson Street. This location will provide a greater opportunity for Catholic Social Services to seamlessly serve the community, especially those seeking assistance with food and/or shelter, fostering a sense of security and hope.

The video concludes with a compelling call to action, encouraging viewers to contribute to the 2024 Diocesan Annual Appeal. By supporting Catholic Social Services through the Appeal, parishioners are able to assist in the establishment of a permanent home for Mother Teresa’s Haven, investing in a crucial resource that will provide lasting relief and compassionate care for those experiencing homelessness in Luzerne County.

Interviews include:
